Most content strategies aren't strategies.

And about 53% of companies don't have a documented content strategy at all (Neil Patel).

Does this sound like you?

- You **kind of** know who you're talking to and why.
- You **kind of** got some SEO in there.
- You **kind of** know who you're up against.
- You **kind of** plan and schedule things.

It's not that hard to climb above.
